having been assessed hereby receives approval in accordance with the requirements of *Lloyd's Register Procedures for Approval of Service Suppliers* as Supplier from the address(es) listed above for the provision of

In-water survey of ships and mobile offshore units

This Certificate is issued in accordance with IACS Unified Requirement (UR) Z17 - Procedural Requirements for Service Supplier.

Where any alteration to the certified service operation system is made, such alteration is to be immediately informed to Lloyds Register EMEA.

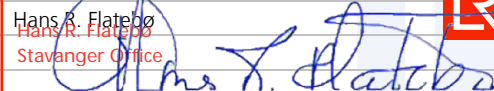

This Certificate ceases to be valid:

- Where the service was improperly carried out or results were improperly reported.
- Where a LR Surveyor finds deficiencies in the approval service operation system of the supplier and appropriate corrective action is not taken
- Where the supplier fails to notify LR of any alteration to the service operation system.
- Where wilful acts or omissions are ascertained.

This approval is conditional upon the Supplier maintaining the documented scheme as audited by any member of the Lloyd's Register Group and hereby approved; and, notifying Lloyd's Register in writing of any change to that scheme including any change in personnel, equipment or procedures.

This certificate is issued to the Supplier and, subject to the Supplier complying with the necessary conditions, is valid to the date referred to below.

This certificate is valid until **02 March 2019**
